Extra Curricular

Community Chesed

Our chesed program gives students various opportunities to give back to the community.

Visits to local nursing homes to create a kinship with the residents are a large part of what makes up our classes. Alongside, students create food drives, clothing drives, write letters to community members at holiday times and more.

Peer Tutoring

At BSA, we believe that peer tutoring enables academic and social growth for both the tutor and the student. Older students ask questions and engage the younger students in subject matter dialogue.

The Arts

The Arts program at BSA is an essential part of the education we offer. This program allows for our students to bring out their individual talents and unique creativity. Music lessons, art appreciation, and creative arts are a few of the classes students attend. Annually, students look forward to our Arts Festival where all their work is presented.

Beth Shalom^{B"H} Academy

Learn Live and Love Torah

At Beth Shalom Academy we prioritize academic excellence with differentiated instruction and experiential learning while nurturing student's social/ emotional health through community outreach programs, love of Torah, and commitment to Mitzvos. We at BSA are proud of both our Judaic and Secular programs and take great pride in our partnership with our parent body, and focus on encouraging each student to strive for excellence both personally and as a member of the Klal/Community. Come see what we are all about!

Girls Division

Creating a passion for learning is the focus of our girls division. "I love to use the girls creativity to bring the story of Chumash to life through skits, playing the characters, and films. We do a lot of hands on activities where the girls prepare power points and books to present so they feel a part of the creation process." -Mushky Gelman

Boys Division

The Boys Division at BSA is enriched with curriculum that nurtures each students Jewish spark and is filled with fueling the curiosity and questions of our students. Rabbi Eliyohu Edelman is one of our dedicated Rebbeim. "Teaching has been a passion of mine from a young age, as I grew up watching my father work as a full-time teacher." - Rabbi Eliyohu Edelman

Early Childhood

Each division at BSA is spearheaded by a staff member that specializes in their specific age group. Mushky Vogel, Secular ECE department lead holds a Masters in Special Education with a focus on early childhood. She brings her background training in Montessori style to the classroom, promoting independence and responsibility amongst the students. Mrs. Channy Goldstein, Judaic ECE department lead has years of experience bringing learning to life with her creative projects and hands on learning.
